The Honorable Christine Gregoire
Attorney General of the State of Washington
PO Box 40100
Olympia WA 98504-0100

Dear General Gregoire:

On September 1, 2004, your office received a citizen action letter from Jami Lund on behalf of the Evergreen Freedom Foundation alleging that the Washington State Labor Council violated several provisions of the Public Disclosure Law. Your office forwarded the letter to the Public Disclosure Commission for investigation.

At the Commission's meeting on October 26, 2004, the PDC staff reported the results of its investigation. A copy of that report is enclosed. The investigation revealed insufficient evidence to prove that the Washington State Labor Council committed any of the alleged violations.

The complaint also alleged that Supporting Intelligent Candidates PAC violated the law by exceeding the abbreviated/mini reporting limits. A brief enforcement hearing was held regarding this allegation. A copy of the order is also attached.

The Commission voted to accept Staff's recommendations and believes that no further action is warranted on the complaint.

If we can be of assistance, please contact me at vrippie@pdcc.wa.gov or 586-4838.

Sincerely,

Vicki Rippie
Executive Director
